Dear WO2 Bluhme,

You sat a MODLAB Multi-Level Assessment (MLA) in Jul 17. Your result was notified to you in Sep 17, following loLET's internal marking and moderation process, and the MODLAB Moderation Board.

All MODLAB MLA results for TY 17/18 have recently been reviewed by loLET as part of an annual review. As a result of this review, your Listening level has increased by one point; this means that you have achieved SLP 4434 in German. This adjusted level has been recorded on JPA, and an additional foreign language financial award payment of £72.00 has been made to recognise the one point increase in your SLP, this will appear on your Jul 18 Pay Statement.

Please let Mrs Fiona Rivett (Cc) have your current postal address so that loLET can send you your new certificate and if you have any questions in respect of this amendment, they should be directed to the undersigned in the first instance.
