Special consideration

If you or your accredited course provider has submitted a request for special consideration and this has been acknowledged by NEBOSH, then this will have been considered prior to your result being confirmed. Full details of our '*Policy and procedures for access arrangements, reasonable adjustments and special consideration policy*' can be found in the 'About NEBOSH' section of our website www.nebosh.org.uk.

If you have achieved a pass in one or more units

Please accept our congratulations on your achievement. Unit certificate(s) will be issued for each successful unit declared on this unit result notification (URN). If you have passed all of the required units for this qualification your qualification parchment will also be sent with your unit certificate(s).

All unit certificates and the qualification parchment are sent to your course provider within 20 working days of the original result notification date (please refer to your examination entry confirmation document).

How your name will be printed on your unit certificate(s) and/or qualification parchment

Your name will appear on your unit certificate(s) and qualification parchment as shown overleaf. Names exceeding 60 characters may appear over two or more lines. Your full legal name must be used for this documentation.

If your name is shown incorrectly you must advise NEBOSH, in writing, within 10 working days of this URN. Supporting photographic identification will be required in order for NEBOSH to make any amendments.

Please refer to our '*Policy regarding candidate certificates including corrections and reissues*', available in the 'About NEBOSH' section of our website www.nebosh.org.uk for further information.

How your overall grade is calculated

Once you have achieved a 'Pass' in all units the aggregate mark of the three units is used to determine the qualification grade, according to the following criteria (grading criteria does not apply to individual units):

Distinction	210 marks or more	Credit	180 - 209 marks	Pass	150 - 179 marks
--------------------	-------------------	---------------	-----------------	-------------	-----------------

If you would like to improve your grade

If you have successfully completed all three units for this qualification and wish to re-sit a successful unit, for the purpose of improving a grade, you must inform NEBOSH no later than 20 working days from the date of this URN. Notification can be accepted by e-mail or post, please refer to our contact details below.

If you have received a refer result for one or more unit(s)

If you have received a refer result you have not achieved the pass standard of 45% for each question paper assessment and/or 60% for the practical assessment. To allow you to complete your overall qualification you will need to make arrangements to re-sit the assessment(s) that you have been referred in. Re-sits can be arranged by contacting your course provider to discuss the next available assessment date and/or submission date.

If your result does not meet with your reasonable expectations

NEBOSH does support the rights of students and/or course providers to request a clerical check or re-mark of an assessment. To request this service please refer to our '*Enquiries about Results (EARs) policy and procedure*', available to download from the '*About NEBOSH*' section of our website www.nebosh.org.uk.

All requests must be received, with full payment, within 20 working days of the results notification date (please refer to your examination entry confirmation). Requests received after this date cannot be processed.

Please note: This service does not provide feedback on performance and by requesting this service there is no guarantee that a mark will be adjusted upwards after a re-mark. It is also important to note that a mark (and grade) may also be adjusted **downwards** following an EAR. NEBOSH does recommend that you discuss your results with your tutor prior to submitting an enquiry about result.
